## DAY 1 RELAX IN RIDGELAND

### WELCOME

to Ridgeland! This weekend is all about checking off those to-do's before you say, "I DO!" First, get ready for the "suite" life when you check into your hotel! Many of our properties feature adjoining or two room suites to keep you and your wedding party close all weekend.

### RELAX

in luxurious spa pedicure chairs, sip a crafted cocktail, and get your girl chat on at the blissfully beautiful **Anthony Vincé Nail Spa**. That engagement ring will have some major competition after one of Anthony Vincé's highly trained technicians treats you to a luxury manicure under the salon's signature blue sky.

Don't worry guys, we know the groom deserves a little pampering before the big day too. While the girls are at the salon, head over to **Mani's & Pedi's Nail Spa** for a "Macho Mani" or to the **Noble Barber** for a hot shave and a cold beer. Yes, there is a bar located inside the barber shop.

### RAISE

your wine glasses and cheers to a day of luxury. The entire wedding party will love coming together to share stories of the day, delicious drinks, and even better dining options on the open air patio of **CAET Seafood and Wine Bar**. Worried today was all play and no work?

Check off rehearsal dinner space on your wedding checklist! Not only does CAET serve up some of the city's most sought-after dishes and extensive fine wine selection but also features a **private dining room** perfect for a bridal luncheon, groomsmen gathering, or rehearsal dinner.
